Mr Stanley B Winters, President
Clinton Hill Neighborhood Council
26 Stanley Avenue
Newark 8, N. J.

Dear Stanley Winters:-

Word reaches me down here in Florida that a sign on the lot next to Robert Treat Savings & Loan advises all and sundry that this is:-

" Site of Parking Lot ad Recreation Area
Clinton Hill Urban Renewal Project"

Another CHNC-inspired suggestion realized! More power to you!

I have a note from Mina Stein, on behalf of Robert Treat, from which I quote the following:-

" I was down to the Museum and saw the Clinton Hill Area sign. I would like to have it for our office when the exhibit closes. Perhaps their movers would take care of the delivery to our office and hang it. We would pay the cost. Do you think Mr. Winters could arrange it."

Can do?

I am somewhat handicapped by not being on the

scene, but I do expect to fly home on Saturday, March 22, and will get in touch with you following Robert Treat's monthly meeting on March 24.

Ever sincerely,

George J Brunn
